Tickets will not be available at the door.** Seating is limited and once our allotment of tickets are sold, no additional tickets will be available. Players and student assistants will not need to purchase a ticket

During the event, we will recognize all players from our freshmen and junior varsity teams and pay special tribute to our 2022 Varsity Football Team that were State Semi-Finalists and compiled a record of 14 wins and 1 loss while advancing to the Texas High School Football Play-offs for the 22nd consecutive year.

We are truly blessed by your commitment to Longview High School and our Lobo Nation remains the leader of the pack because of people like you.
